

ARECA PLAM LEAF
Tableware

Who We Are?

Vegnar Greens, we are passionate about creating a sustainable future. As a leading manufacturer and exporter of eco-friendly products, we specialize in sugarcane bagasse tableware, areca palm leaf tableware, and biodegradable bio bags.

Driven by a strong mission to reduce plastic pollution and promote greener alternatives, we offer products that are 100% compostable, biodegradable, and safe for both the environment and human health.

Our commitment to quality, innovation, and sustainability empowers individuals and businesses worldwide to make responsible choices without compromising on functionality or aesthetics.

Vision Statement

To create a cleaner, greener planet by eliminating 25,000 tons of plastic waste by 2027 through sustainable, biodegradable alternatives that protect our environment for future generations.

Mission Statement

Our mission is to lead the transition toward eco-friendly living by delivering innovative biodegradable products that replace conventional plastic in everyday use. Through continuous innovation, ethical practices, and global partnerships, we aim to reduce plastic dependency, promote environmental responsibility, and empower businesses and consumers to make sustainable choices.
